

PREPARATION FOR TRAVEL CHECKLIST

Being organised when you travel is essential – especially in relation to medical, insurance, visa/immigration and financial issues.

By ensuring you cover-off items on this checklist, you'll be prepared to travel without worrying that you've forgotten to take care of anything important!

Medical	Passport
Vaccinations done	At least 6 months validity on passport
Prescriptions filled	
Any health alerts in destination country?	Finances
Medical insurance coverage	Home currency
Printout any medical history/allergies	Foreign currency
	Pre-paid Visa/Mastercard
Timezones	Departure or arrival taxes?
Obtain timezone converter	ATM card – valid overseas?
	Obtain currency converter
In case of Emergency	
Officially 'register' your travel. Australians can do this at smartraveller.gov.au	Visa
Scanned copies of passport, visa, tickets, accommodation, medical insurance and travel insurance on USB stick.	Are visas needed? If so – how and when can they be obtained?
Photocopies of above-mentioned documents in luggage	
	Travel alert
Phone	Are there any travel advisories regarding your destination country?
Global roaming – activate and check pricing	
SIM card for destination country	Children
	If travelling with children, do you need written consent/documentation/court order evidence?
Embassy	
Obtain contact details of embassy	
Travel Insurance	
Obtain travel insurance
